

Nonprofit Immersion Program

2023-2024 Academic Year

Program Overview

Thank you for your interest in NPIP! The Non-Profit Immersion Program is a fantastic way to gain new skills, connect with local nonprofits, and learn about the nonprofit sector. Below, you will find a quick overview of the program and the timeline. Please review carefully, as staff will refer to this document throughout the academic year.

What are the program's mission, goals, and learning objectives?

Mission

The Non-Profit Immersion Program's mission is to:

- **Prepare** Ohio State students to be responsible community leaders through an immersive experience with boards of local nonprofit organizations
- **Provide** Ohio State students with development of leadership and organizational skills
- **Support** nonprofit organizations and the local community by offering a fresh perspective and skill set

Goals

After participating in the Non-Profit Immersion Program, students will demonstrate competencies in:

- Operations of nonprofit organizations
- Relationship building
- Critical thinking and problem solving
- Leadership and professional development
- Nonprofit financial and fundraising structures
- Project creation, implementation, and management

Learning Objectives

After participating in the Non-Profit Immersion Program, students will:

- Gain experience with hands-on project creation and implementation
- Undergo leadership and professional development
- Be exposed to the realities of working for a nonprofit and serving on a nonprofit board so that eventually, students can articulate how nonprofits operate, make decisions, and impact the community
- Connect theoretical ideas from within the classroom to practical experiences within the context of various nonprofit agencies

- Develop meaningful relationships with students, staff, and community members
